

“Affiancare le Startup in Ticino”

2024 Results & Q1 2025

Rotary Club Lugano-Lago Update

SERVIRE PER CAMBIARE VITE

Why this Project: Affiancare le Startup in Ticino

We generously offer our time and expertise to serve others and make a real difference in transforming lives.

We support entrepreneurs by accompanying them on their journey and actively contributing to their success.

We create new opportunities for employment and sustainable development in the Canton.

PMs work

In April, over 60 hours of work were dedicated by the project managers, divided into two strategic activities:

- Coordination with startups and mentors, to ensure the smooth progress of project activities.
- Drafting of official documentation, to enable the district-level sharing of the project.
